## U.S. 101 Project Closures Scheduled

### Southbound U.S. 101

#### Nightly, Tuesday, March 26 through Thursday, March 29:

- 9 p.m. to 5 a.m. – up to two lanes closed from Westlake Boulevard to Liberty Canyon Road

The closures are in connection with the \$9.2 million concrete median barrier construction project on U.S. 101. Security Paving Company, Inc. is the contractor. Estimated completion date is spring, 2008. This project will place concrete barriers on the median in order to increase public safety and reduce maintenance costs.
